LIMITED WARRANTY

SIGNATURE SERIES LIMITED WARRANTY

Rolled Rubber & Interlocking Tiles

SPORT PRO SURFACING

WARRANTY COVERAGE

All Signature Series recycled rubber flooring is guaranteed to be free from manufacturing defects in material and/or workmanship.

If the flooring is found to be defective under normal conditions for a period of **five (5) years** from the date of receipt (to the original purchaser), Sport Pro Surfacing will, at its own discretion, replace the defective material or issue a credit not to exceed the selling price of the defective goods.

WHAT THIS WARRANTY DOES NOT COVER

This warranty does not cover installation labor costs or other related expenses.

This warranty does not cover dissatisfaction due to improper maintenance or installation, or damage from improper maintenance or usage or general misuse, including without limitation: burns, cuts, tears, scratches, scuffs, damage from rolling loads on inappropriate wheels or casters, and/or damage or discoloration from floor care products not recommended for use on this flooring.

Shade or color variations due to exposure to direct sunlight, minor color or shading variation within the black rubber portion of the product, and/or shade or color variations between samples or photographs in marketing materials and the actual flooring product itself, are also not considered material defects.

Although Signature Series flooring is used successfully in ice-rink applications, this warranty expressly excludes premature wear caused by ice skates in heavy-use areas (penalty boxes, walkways to and from the ice, etc.). This is due to the abusive nature of ice skate blades on any type of flooring material. Sport Pro Surfacing highly recommends the use of blade protectors when walking on Signature Series recycled rubber flooring with ice skates.

CLAIMS

To file a claim under this warranty, contact Sport Pro Surfacing at the information above with proof of purchase and a description of the defect.
