TEMPO & TRUFIELD LIMITED WARRANTY

Artificial Turf

SPORT PRO SURFACING

TERMS AND CONDITIONS

This Statement of Warranty Terms and Conditions ("Warranty") sets forth the warranty provided by Sport Pro Surfacing to the Original Purchaser ("Purchaser") of Tempo and TruField artificial turf products ("Products"). By accepting delivery of the Product(s), Purchaser agrees to be bound by and accept these terms and conditions. Sport Pro Surfacing is only obligated to honor this Warranty upon receipt of full payment for the Product(s) and timely product registration.

WARRANTY COVERAGE

Sport Pro Surfacing warrants that Tempo and TruField will maintain their UV stability and tensile strength under normal conditions for a period of **8 years** from the date of installation (Agility application), applying only to the Original Purchaser.

A Product is deemed to have maintained its UV stability and tensile strength if its original tensile strength and pile height do not decrease by more than 50% as a result of ultraviolet degradation within the warranty period.

> **Prorated value:** less one-eighth (1/8) of the Product's value per year from the date of installation.

SPORT PRO SURFACING'S OBLIGATIONS

Sport Pro Surfacing's sole liability for a Product that fails to perform as warranted during the warranty period is limited to repair or replacement of the Product, at Sport Pro Surfacing's sole discretion, within a reasonable time after receiving notice from the Purchaser. Replacement product will be provided at a prorated cost based on the Product's usable period, per the schedule above. Repaired or replaced Products carry the remaining balance of the original warranty period — this Warranty is not extended or restarted by a repair or replacement.

WHAT THIS WARRANTY DOES NOT COVER

This Warranty does not apply if the Product is used for any application other than those stated in the installation and product guidelines provided to the Purchaser. This Warranty specifically excludes:

1. Damage caused by, but not limited to, burns, cuts, accidents, vandalism, abuse, negligence, neglect, or acts of God.
2. Damage caused by improper cleaning agents, or exposure to chemicals containing elements from the halogen group (chlorine, fluorine, bromine, or iodine), herbicides, pesticides, or other inappropriate chemicals — including chemical exposure from runoff originating on neighboring properties.
3. Failure to maintain infill products at the correct level, or use of inappropriate infill products.
4. Improper installation of the product.
5. Damage caused by continued exposure to reflective light from windows or other objects.
6. Mineral deposit buildup from exposure to hard water.

Normal wear and matting is not a manufacturing defect and is not covered by this Warranty. Purchasers should carefully review the product information and installation materials provided by Sport Pro Surfacing for guidance on optimizing the performance and service life of Tempo and TruField.

LIMITATIONS OF REMEDIES

The Purchaser's exclusive remedy, and Sport Pro Surfacing's sole liability, for any and all damages resulting from any cause — whether based on contract, negligence, strict liability, other tort, or otherwise — shall not exceed, in any one case or in total, the original price of the Product and its installation. In no event will Sport Pro Surfacing be liable or held accountable for any incidental, consequential, or punitive damages resulting from any such cause.

NO OTHER WARRANTIES

Sport Pro Surfacing makes no representations or warranties of any kind, nature, or description with respect to Tempo or TruField, express or implied, including without limitation any warranty of fitness for a particular purpose or application, other than those stated in the installation, product, and marketing materials provided by Sport Pro Surfacing.

MODIFICATIONS

This Warranty can only be modified in writing by an authorized representative of Sport Pro Surfacing. No other modification, oral or written, is valid. This Warranty, together with the applicable invoice and its terms and conditions, constitutes the complete, final, and exclusive terms governing the sale of Tempo and TruField products by Sport Pro Surfacing.

SEVERABILITY

If any provision of this Warranty is held illegal, invalid, or unenforceable by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect, and shall constitute the parties' agreement with respect to the subject matter of this Warranty.
